

LCC & LCA Rules for Student Drivers

1. It is a priveledge for students to be able to drive their cars to school. Violating school policy will result in the suspension of this priveledge.
2. When entering the parking lot from Penn St, do so with extreme caution, slowly, looking out for children that play on the parking lot.
3. Maximum speed allowed is 5mph, no hot roding or reckless driving on campus.
4. When exiting school & Church property, again, do so with extreme caution. Students loading on busses have the right of way.
5. Busses entering for pickup or delivery will have the right of way. Please stop until they are parked in their position.
6. When exiting, stop before entering onto Mill St. You may then proceed in either direction.
7. Your car should be locked, no loud music emanating from the vehicle. Without special permission, you are not allowed to use your car during lunch or break. During school hours, your vehicle is off limits.
8. Your car must be registered at the school office. We will make copies of your drivers license, car registration, and insurance card to keep on file.

I understand the driving regulations for LCC & LCA.
